2021 Strategic Committees

Key elements of HYIS strategic committees:

- Led by staff members with Executives as representatives on each.
- Student voice, contribution and/or representation is a requirement for each committee.
- Key priorities reflect school improvement plan and Strategic plan documents.
- Communication for strategic teams is through the lead staff member.
- Strategic Committees are an opportunity to build capacity of staff.
- Australian Student Wellbeing Framework will be one of many data tools to track committee priorities.
